

2.10 DELIVERY AND COLLECTION OF CHILDREN

QUALITY AREA 2 | VERSION 1.23

PURPOSE

This policy provides a clear set of guidelines to ensure the safe delivery and collection of children attending LEVNT EC Services by ensuring:

- Children are given into the care of a parent/guardian or authorised nominee named in the child's enrolment record, or a person authorised by the parent/guardian or authorised nominee over the age of 16 years.
- Children leave in accordance with the written authorisation of the child's parent or authorised nominee.
- Children are taken on an excursion or on transportation provided or arranged by the service, with written authorisation from the parent or authorised nominee.
- Children are given into the care of a person, or taken outside the premises, because the child requires medical, hospital or ambulance care or treatment, or because of another emergency.

POLICY STATEMENT

VALUES

LEVNT EC Services are committed to:

- the safety, health and wellbeing of the children at our service
- ensuring all LEVNT EC Services policies and procedures safeguard the safe delivery and collection of children being educated and cared for at the service
- ensuring that service leaders, ECT's, educators and staff are provided with the necessary training and support to implement the policies and procedures for the delivery of children to, and collection from, the service premises

SCOPE

This policy applies to the Approved Provider, persons with management or control, nominated supervisor, persons in day-to-day charge, early childhood teachers, educators, staff, student educators, volunteers, parent/guardians, children and others attending the programs and activities of LEVNT EC Services, including during offsite excursions and activities.

BACKGROUND

A duty of care exists at all times the child is attending a children's service. In addition, the service has a duty of care to a child while they are on the service's premises even if they haven't yet been signed into the service or have been signed out of the service and are legally under the care and supervision of the parent/guardian (refer to Supervision of Children Policy).

The child may only leave the service in the care of a parent/guardian, authorised nominee or a person authorised by one of these parties to collect the child. An authorised person does not include a parent who is prohibited by a court/parenting order from having contact with the child. An exception is made in the event of a medical or other emergency (refer to Incident, Injury, Trauma and Illness Policy and Emergency and Evacuation Policy) and for excursions (refer to Excursions and Service Events Policy).

SPECIFIC PROCEDURES

Late collection procedures are outlined in [ATTACHMENT 4: Procedures for the Late Collection of Children](#), however, it is important parents/guardians understand their obligations in relation to late collection fees at LEVNT EC Services.

A late collection fee may be charged at the Service Leader's discretion and in accordance with the Fees Policy of the service. When charging a late fee, LEVNT EC Services charge a fee of \$20 for the first 15 minutes a parent is late, and \$1 per minute thereafter.

Multiple occurrences of late collection will result in consultation with the family and key-stakeholders to ascertain what (if any) further actions can be taken to support the family or end enrolment at the service. Further information about this procedure is outlined in the service's parent handbook.
